United States v. Sutton, 09 Cr. 168 (CM)

Dear Judge McMahon:

We represent defendant John Sutton in connection with the above-captioned matter. I write following consultation with the Government to request that the court adjourn the hearing currently scheduled for Tuesday, September 17, 2013, for approximately one month. Your Honor initially scheduled the September 17 hearing because it was after Mr. Sutton's next state court appearance when we expected the charges against him would be dismissed. Although we still expect the state charges to be dismissed, the case was recently adjourned until October 18, 2013 because his state court attorney miscalculated the date by when the People are required to proceed with trial or dismiss. In light of this adjournment, we respectfully request that the September 17 hearing be postponed until a date soon after Mr. Sutton's October 18 appearance in state court.
